Dear Mr Mottola

*Joe*

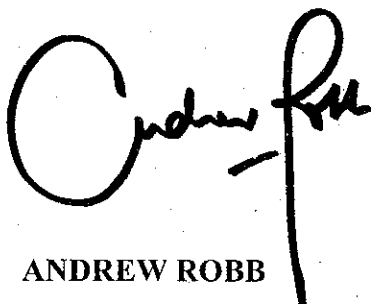

I have been advised that your organisation has been successful in obtaining funding under the '2010 Volunteer Grants' program.

I am pleased that the Beamaris Soccer Club has received funding of \$5,000 to assist your volunteer community.

I wish you all the best with your project.

Once again, congratulations on your success. It is very competitive for these federal monies, you have done very well.

Yours sincerely

ANDREW ROBB
